DART Professional 1/2 Inch x 50mm Router Cutter

TCT Premium Router cutter designed to give a fast and precise cut with the added advantage of tungsten end tip, making it suitable for plunging. PTFE anti-stick coating on the body to minimise resin and heat build up. Extra long life, twin straight fluted cutters, suitable for cutting high quality laminates giving a quality finish for the top tradesman. Can be used in an extensive range of timbers and hard plastics.
